

SPONSORSHIP & PARTNERSHIP

Discover the different partnership offers for the national
e-conference COPAMPHI 2021

copamphi2020.sciencesconf.org

In this very particular health context due to outbreak of COVID 19, and the last restrictions imposed by the French Government, we will not be able to welcome you in good conditions in Nancy for the 4th “National Conference on Amphiphilic Copolymers” (COPAMPHI 2021) from June 16 to 18, 2021.

Therefore, we decided to hold an e-conference, at the same dates, and we would like to make this e-conference free of charge, in order to allow a wider community to take part in it.

In the following pages you will find some offers of partnership for an e-conference.

What we intend to do is first to receive your intentions to pledge (before April 1st, 2021). Then we will be able to confirm if we can make this conference totally free of charge for attendees. If the intentions received are not enough to cover the expenses for such an organization, then we will have to fix a registration fee.

That's why more than ever, we definitely need your support.

Save the Dates!!!
COPAMPHI 2021, 16-18 June

Local organizing committee of COPAMPHI 2021:
Khalid Ferji (coordinator),
Alain Durand,
Carole Arnal-Herault,
Jean-Luc Six,
Olivier Fabre
